Hello, I am a legal, sane, and responsible gun owner who would like the second amendment to be as it is written! We gun owners have struggled to keep our rights. We have fought from the shadows to keep our rights. The rights of the people shall not be infringed! Safe gun owners are not the problem. Taking our rights to guns or ammo IS a violation of the second amendment. Good guys will always fight for people who cannot fight for themselves. We are the first responders to violence. Good gun owners have had their hands tied for a long time. We need more good sane Americans to help protect our country
